Subject: First Appeal in the absence of response from the department concerned

Sir,

I had filed an RTI application on 27/09/16 with the Department of Energy, Himachal Pradesh regarding Cumulative Environment Impact Assessment study for Satluj, Beas and Chenab. (Copy of the application with details of IPO 31F 708988 attached)

I recieved a response from DoE HP dated 03/10/16 (Copy Attached) in mid October that the application had been transferred to the CPIO, MOEFCC.

In November I had a telephonic conversation with CPIO, Mr Subba Rao, to follow up with my application. He intimated me that he would follow up the matter.

In december in another telephonic conversation he told me that the response may have been despatched by now. But I have not recieved any response on my application.

I request you to please treat this application as a first appeal and provide me the said information Free of Cost under the provisions of the RTI Act 2005

Thankyou

Manshi Asher
